## ABBY PALMER IS SOLD TO ALASKA COMPANY

The bark Abby Palmer has been bought by the Alaska Packers' Association. The Abby Palmer, owned by R. Sudden of San Francisco, left here some time ago for the Sound. She has had an eventful career. The Abby Palmer was formerly the British ship Blainmore, which some years ago was captured in Mission Bay. On that occasion a number of men, imprisoned in the vessel's hold, were drowned.

She holds the record for leisurely sailing having once taken thirty days to sail from Sydney to Newcastle, New South Wales, a distance of sixty miles. Once, while in the Puget Sound trade, she was damaged in collision with an Empress liner. In the same locality a few years later she was dismantled and towed to port by a tramp steamer, which claimed \$30,000 salvage. While in Australia recently she narrowly escaped stranding in Cooper Bay. One of the two tugs which kept her off the beach ran into her and damaged her to the extent of about \$5000. With the change of owners the vessel's luck may take a turn for the better. She will get a chance to redeem herself during the next salmon season.

The Abby Palmer is a steel bark of 1943 tons. She was built at Dumbarton.

## BAKER AFTER COIN

D. K. Baker has filed a motion in the Supreme Court to secure the avails of the \$3002 verdict of damages he obtained in the Circuit Court of the Third Circuit against A. T. Atkinson, Superintendent of Public Instruction; Arthur M. Brown, High Sheriff; Lorrin A. Andrews, Sheriff of Hawaii, and George P. Kamaooha, Deputy Sheriff of South Kona, who ejected him from his home in Kona, which was claimed as school property. The motion is made on the grounds that the defendants have failed to perfect their intended appeal.
